Vol. 152

WASHINGTON, THURSDAY, NOVEMBER 9, 2006

No. 126

## House of Representatives

The House met at 2 p.m.

The Reverend Eugene F. Hemrick, St. Joseph's Catholic Church, Washington, DC, offered the following prayer:

Lord God, in a beautiful lunette in the Library of Congress across from our U.S. Capitol, your psalmist implores us:

"Wisdom is the principal thing. Therefore, get wisdom. And with all thy getting, get understanding."

May the Congress whose office is to serve our citizens be filled with a renewed taste for the goodness that wisdom advocates. May it be graced with profound insights and the wise discernment that understanding espouses. May wisdom and understanding reign here, reflecting Your love among us and for our Nation.

Amen.

# CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO IRAN—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 109-150)

The SPEAKER laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on International Relations and ordered to be printed:

## To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the Federal Register for publication, stating that the Iran emergency declared in Executive Order on November 14, 1979, is to continue in effect beyond November 14, 2006.

Our relations with Iran have not yet returned to normal, and the process of implementing the January 19, 1981, agreements with Iran is still underway. For these reasons, I have determined that it is necessary to continue for 1 year the national emergency declared on November 14, 1979, with respect to Iran.

GEORGE W. BUSH.  
THE WHITE HOUSE, November 9, 2006.

#### HONORING OUR ARMED FORCES

##### STAFF SERGEANT JONATHAN ROJAS

• Mr. BAYH. Mr. President, it is with a heavy heart and deep sense of gratitude that today I honor the life of a brave young man from Hammond. Jonathan Rojas, 27 years old, died on October 3 after being struck by a sniper bullet while on patrol in Baghdad. Jonathan risked everything to fight for the values Americans hold close to our hearts, in a land halfway around the world.

Jonathan spent several years in the workforce after graduating from Hammond High School before enlisting. He had been due to return home to Indiana 2 months before he was killed but agreed to stay longer, promising his family in Hammond that he would be home in time for Christmas. Jonathan was remembered by his brother William as playful and warm hearted, when he said, "We're going to miss him being himself, doing stupid things, his company, having a brother, someone to talk to."

Jonathan was killed, while serving his country in Operation Iraqi Free-

dom. He was assigned to the 1st Battalion, 17th Infantry Regiment, 172nd Stryker Brigade Combat Team. This brave soldier leaves behind wife Tasha Rojas, parents Jose and Catalina Rojas, brother William Rojas, and sister Isaura Rojas.

Today, I join Jonathan's family and friends in mourning his death. While we struggle to bear our sorrow over this loss, we can also take pride in the example he set, bravely fighting to make the world a safer place. It is his courage and strength of character that people will remember when they think of Jonathan, a memory that will burn brightly during these continuing days of conflict and grief.

Jonathan was known for his dedication to his family and his love of country. He was looking forward to civilian life and starting a family with his wife Tasha. Today and always, Jonathan will be remembered by family members, friends and fellow Hoosiers as a true American hero, and we honor the sacrifice he made while dutifully serving his country.

As I search for words to do justice in honoring Jonathan's sacrifice, I am reminded of President Lincoln's remarks as he addressed the families of the fallen soldiers in Gettysburg: "We cannot dedicate, we cannot consecrate, we cannot hallow this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note nor long remember what we say here, but it can never forget what they did here." This statement is just as true today as it was nearly 150 years ago, as I am certain that the impact of Jonathan's actions will live on far longer than any record of these words.

It is my sad duty to enter the name of Jonathan Rojas in the official RECORD of the U.S. Senate for his service to this country and for his profound commitment to freedom, democracy, and peace. When I think about this just

cause in which we are engaged and the unfortunate pain that comes with the loss of our heroes, I hope that families like Jonathan's can find comfort in the words of the prophet Isaiah who said, "He will swallow up death in victory; and the Lord God will wipe away tears from off all faces."

May God grant strength and peace to those who mourn, and may God be with all of you, as I know He is with Jonathan.●

#### HONORING WILLIAM E. OSOS

● Mr. BAYH. Mr. President, It is with a heavy heart that I pay tribute to a true friend and Hoosier, William E. Osos. Bill, a former director for the United Auto Workers Region 3, passed away on October 6th, leaving behind a loving family and thousands of Hoosiers who benefited from his devotion to working men and women. My thoughts and prayers this week are with his wife Genevieve and their children and grandchildren.

Bill was a man of courage and conviction, who did what was right regardless of the popularity at the moment. He served for 2 years in the Navy during World War II. At home in Michigan City, Bill first became active in the UAW while working at Michiana Products Company. It was the beginning of a commitment he would honor throughout his life. In 1966, he was appointed an international representative of the union by UAW president Walter P. Reuther. He eventually was elected to be director of the union's Region 3 in 1984, a position he served in until his retirement in 1992.

Bill's dedication to the working men and women of Indiana was apparent to everyone who met him. He truly relished his role in leading the fight for good jobs and good wages. In fact, many Hoosiers and UAW members could tell you that it is a role he continued well after his retirement. Even after moving from Indiana to Florida, Bill stayed involved in UAW work, always ready to help serve.

His work in Indiana meant so much to the thousands of UAW workers in our State, and I also owe Bill a personal debt of gratitude. When I was running for secretary of state in Indiana, we didn't have much of a Democratic party organization, but we did have organized labor and the UAW, with Bill as Region 3 director. His support during my first political race was a strong foundation to build on, and with his help, I won that election. I went on to serve two terms as Indiana's Governor, when together, we were able to give 30,000 of our workers collective bargaining rights, more than half represented by the UAW.

I have had the privilege of knowing and working with many union leaders over the years, from the days I spent with my father on his campaigns outside plant gates to my work as Governor and through today. But Bill sticks out in my memory for his belief

in the importance of his work and his tireless fighting on behalf of working men and women.

Bill spent his life fighting for good jobs, affordable health care, and secure pensions—all the things that make up the American dream. We need more people fighting that fight today, and we will miss Bill greatly as we continue his efforts to ensure that every American who works hard and plays by the rules can do right by his family.

Indiana and its people are better for his leadership. Bill was my friend, and I will miss him. It is my honor to enter his name into the CONGRESSIONAL RECORD of the U.S. Senate.●

#### ETHAN SCHOOL DISTRICT NO. 17-1

● Mr. THUNE. Mr. President, today I wish to recognize Ethan School District No. 17-1 for being named a No Child Left Behind Blue Ribbon School. #### REPORT RELATIVE TO THE CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO IRAN WHICH WAS DECLARED IN EXECUTIVE ORDER NO. 12170 ON NOVEMBER 14, 1979—PM 58

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice

to the *Federal Register* for publication, stating that the Iran emergency declared in Executive Order 12170 on November 14, 1979, is to continue in effect beyond November 14, 2006.

Our relations with Iran have not yet returned to normal, and the process of implementing the January 19, 1981, agreements with Iran is still underway. For these reasons, I have determined that it is necessary to continue for 1 year the national emergency declared on November 14, 1979, with respect to Iran.

GEORGE W. BUSH.  
THE WHITE HOUSE, November 9, 2006.

### TRIBUTE TO THE HOSPITAL OF SAINT RAPHAEL AS THEY CELEBRATE THEIR CENTENNIAL ANNIVERSARY

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Ms. DeLAURO. Mr. Speaker, it is with great pleasure that I rise today to join all administration, staff, and the New Haven community in extending my sincere congratulations to the Hospital of Saint Raphael as they mark their 100th Anniversary. The Hospital of Saint Raphael is one of New Haven's leading employers as well as one of the largest providers of healthcare in Connecticut. As we commemorate this remarkable milestone, we also celebrate all that the Hospital of Saint Raphael has brought to our community and look forward to the innovations that are sure to come in the future.

Since its founding by the Sisters of Charity of Saint Elizabeth 100 years ago, the Hospital of Saint Raphael has grown from a 12-bed facility to a 511-bed community teaching hospital. The Sisters came to New Haven at the request of a group of local physicians who asked that they administer a hospital that would be open to all—all members of the medical profession and any patient, regardless of race, creed, color, or economic status. The Hospital of Saint Raphael, named for one of the few archangels recognized by many faiths and who has been long revered as a patron of the sick and healing, has built on this original vision and has become a local leader in providing quality healthcare to all members of our community. In addition to meeting the general healthcare needs of their patients, the administration and staff have developed a myriad of outreach programs designed specifically to ensure that those most in need—those who are the most underserved—are educated about healthcare and have access to the care that they need. It is that special vision that has driven the success of Saint Raphael's and how they continue to make a difference in our community.

Over the course of my career I have been proud to stand with the leaders of Saint Raphael's—those like my dear friends Sister Louise Anthony, Sister Anne Virginie, and David Benfer—to work with them to bring both local and national attention to a number of healthcare issues facing our communities. Devoting their lives to the Sisters of Charity, Sister Louise and Sister Anne brought not only their compassion, but a unique dedication to the mission of Saint Raphael Hospital. Sister Louise began her time at Saint Raphael's as

a nursing student and retired as the chief executive officer. It was under the leadership of Sister Louise that the Hospital of Saint Raphael opened the first freestanding, self-contained radiation therapy treatment center in New England as well as became the first community hospital in Connecticut to perform open-heart surgery and open a coronary care unit. Beginning her career as associate administrator, then as president of the hospital, and finally as president and chief executive officer of the Saint Raphael Healthcare System, Sister Anne provided Connecticut residents with the highest quality health care. Today their outstanding leadership is followed by David Benfer who, during his tenure of six years, has enabled Saint Raphael's to further its reputation as a clinical pioneer in cardiac, cancer, orthopedic, neurosciences, and geriatric services.

The Hospital of Saint Raphael has been a long-standing champion of efforts to bring awareness to lawmakers of the seriousness of today's healthcare crisis as well as the plight of uninsured Americans. Saint Raphael's and its staff were also one of the leading advocates for and were instrumental in the passage state legislation which protects women from the dangers of drive through mastectomies. This is an issue which I have taken an active interest in at the federal level and I am grateful for the support I have received from the Hospital, its staff and its leaders. It is this kind of advocacy, compassion, and commitment to quality healthcare that has made Saint Raphael's such a success over the last century.

It is a privilege for me to rise today to pay tribute to the invaluable contributions the Hospital of Saint Raphael has made, not only to our community, but to the healthcare community as well. I am proud to extend my sincere congratulations to this outstanding institution as they celebrate their centennial anniversary. I have no doubt that in the years to come, the Hospital of Saint Raphael will continue to be a leader in the healthcare industry and a vigilant advocate on behalf of those most in need.

It is Judge Tydingco-Gatewood's character and her distinguished career that led me to confidently recommend her for the federal bench at her confirmation hearing before the Senate Committee on the Judiciary on July 11, 2006. She is a leader, a role model for our young citizens, and a strong Chamorro woman who embodies the integrity and pride of the Chamorro people. On behalf of the people of Guam, it is my privilege to recognize Judge Frances Tydingco-Gatewood and her achievements which are an inspiration to women in Guam and throughout our nation.

As she stands alongside her husband of 25 years, Dr. Robert Gatewood and their three sons, Daniel, Michael and Stephen, she has the support of our community and the confidence of the President and the Congress. ## TRIBUTE TO DR. MEL GOLDSTEIN AS HE CELEBRATES HIS 10TH ANNIVERSARY AS A CANCER SURVIVOR

### HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Ms. DeLAURO. Mr. Speaker, in each of our communities we have local celebrities and there is always one to which we feel most akin—that personality that touches your life in a way that you never expected. For me, and for residents across Connecticut, that person is Dr. Mel Goldstein, meteorologist for WTNH News Channel 8. Tonight, family, friends, colleagues, and community leaders have gathered to celebrate a very special occasion for Dr. Mel—his 10th anniversary as a cancer survivor. This is a remarkable milestone—one which I am honored to share with him.

Dr. Mel, as he is affectionately known by all Connecticut residents, has been welcomed into thousands of homes over the years. He is more than just our weatherman—he is our friend. You can only imagine how stunned we all were when Dr. Mel announced that he had been diagnosed with multiple myeloma, an incurable but treatable cancer of the plasma cell. With a strength and determination that continues to inspire all of us, Dr. Mel shared his story with the world and in the 10 years since his diagnosis has brought much needed attention to this disease, the technological advancements in treatments that are available, and about living and coping with myeloma.

In bringing his personal battle with multiple myeloma to the public, Dr. Mel brought light to this rare disease and hope to the thousands of Americans, as well as their families and loved ones, who have been diagnosed with this cancer. Driven by his determination to win this fight, Dr. Mel established the Dr. Mel Goldstein Multiple Myeloma Fund at the Yale Cancer Center. Donating all proceeds from his speaking engagements as well as those from the two editions of his book, *The Complete Idiot's Guide to the Weather*, in the 7 years since its establishment, the Fund has raised thousands of dollars which have been directed to ongoing research and clinical trials that target this incurable form of cancer.

As a cancer survivor myself, I have the deepest respect and admiration for Dr. Mel and his willingness to be so open about something so personal and a health concern that can be the most frightening experience of your life. In describing himself, he uses the words optimistic, positive, and persistent—I cannot think of a more fitting description. Perhaps what has been most inspiring about his 10-year battle with myeloma is that we have

never seen him without that engaging smile and good-natured laugh. He has and continues to face the challenges of this disease with integrity and determination—he is one of a kind!

The late Rabbi Jerome Malino of Danbury, Connecticut once said, "It is much better to live one's life as an optimist and be wrong, than a pessimist and be right." This has been the motto by which Dr. Mel has not only approached his life, but his battle with cancer as well. He has given us all reason to be optimistic that we will find what we all seek—a cure. It is my great pleasure to rise today to salute Dr. Mel Goldstein for all that he has and will accomplish towards that goal. I am pleased to join his wife, Arlene, family, friends, and colleagues in extending my heartfelt congratulations on this very special occasion as well as my very best wishes for continued health and happiness.

#### RECOGNIZING THE 35TH ANNIVERSARY OF SANCTUARY, INCORPORATED

**HON. MADELEINE Z. BORDALLO**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Ms. BORDALLO. Mr. Speaker, I rise today to recognize the achievements of Sanctuary, Incorporated on the occasion of the organization's 35th Anniversary. Sanctuary is a community-based nonprofit organization in Guam dedicated to facilitating and supporting conflict resolution activities aimed to reconcile differences between family members and reunite estranged families.

Sanctuary was incorporated under the law of Territory of Guam in 1971. Originally the organization sought to provide counseling teenage runaways on the island. Sanctuary's primary purpose was to provide these youths with a temporary residential shelter while offering family counseling services. Sanctuary has grown over the last 35 years and it has expanded its services to accommodate the diverse needs and complex issues of today's youth.

Sanctuary began expanding its mission in the late 1980s. For instance, the organization opened its Transitional Living Program, TLP, to assist older youth who were aging out of the foster care system but who were unable to return to their families. The TLP program helped prepare these youths for adulthood by teaching them the fundamentals of independent living. Sanctuary also established a community-based Drug Prevention program in the 1990s. What is more, the organization developed the parental assistance program Ayuda Para I Manaina, APIM. Lastly, it created programs to provide for the emotional and physical needs of teens and young adults victimized by domestic violence, child abuse, sexual assault or other crimes. These programs have made and continue to make important contributions to strengthening our community on Guam.

Sanctuary has led other initiatives as well. The organization recently received federal funding to create theatrical productions to prevent teenage tobacco use in Guam. With those funds, the organization produced a music album and video in 2003 featuring

young musicians and aspiring actors and actresses from Guam. The project advocated a tobacco-free lifestyle and was distributed to Guam's middle and high schools for use as a classroom instructional resource. Most recently, Sanctuary opened Guam's first and only substance abuse treatment program for adolescents, Sagan Na' Homlo (Para I Manhoben). Sagan Na' Homlo provides two cycles of services and counseling to youth between the ages of 12 and 17 who struggle with drugs and alcohol. This two cycle approach is taken to ensure these at-risk youths receive the maximum benefits of the service and counseling available to them through this program. Today, Sanctuary also operates a Co-Ed Emergency Shelter that has the capacity to care for 18 youths. The shelter is designed as a safe alternative for abused, runaway, homeless and troubled youth to turn to when they are experiencing challenges.

For the 35 years, Sanctuary, Incorporated has been the leader in increasing public awareness of at-risk youth situations and providing those youths, their families, and the community of Guam with resources, counseling and support services. With the steadfast commitment, dedication, and leadership of Sanctuary's current Executive Director, Sarah Thomas-Nededog, and Sanctuary's staff, faculty, Board of Directors and volunteers, the organization has become a true force for good on Guam, helping countless youths coping with the physical and emotional abuse to become valuable, functional and contributing members of society.

On behalf of all the people of Guam, I extend a most Dangkolo' Na Si Yu'os Ma'ase, Maraming Salamat Po, and Congratulations to Sanctuary, Incorporated on the occasion of its 35th Anniversary.

#### HONORING THE TOWN OF MIDDLEBURY, CONNECTICUT ON THE OCCASION OF ITS BICENTENNIAL CELEBRATION

**HON. NANCY L. JOHNSON**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Mrs. JOHNSON of Connecticut. Mr. Speaker, I rise today to honor the Town of Middlebury, Connecticut, on the occasion of its bicentennial.

Once a Revolutionary War camp for French General Rochambeau and his troops on their march to Yorktown, West Farms and adjoining portions of Woodbury and Southbury first formed a distinct ecclesiastical society in 1790. The society took up the name Middlebury, derived from the central position its meetinghouse occupied six miles from its three older neighbors, Waterbury, Southbury, and Woodbury. After repeated petitions to the Connecticut General Assembly for independence from Waterbury, the Town of Middlebury was formally incorporated in 1807.

Today, recreational facilities and year-round cultural events are close by; Quassy Amusement Park, a local ski trail, and a town lake are some of the more popular amusements. Teikyo Post University is a short drive away, offering a variety of courses for students in pursuit of undergraduate and graduate degree programs.

Mr. Speaker, I am proud to represent the Town of Middlebury in the United States House of Representatives, and extend my best wishes to the city and its citizens for another 200 years of prosperity.

#### TRIBUTE TO BISHOP AND MRS. ODIS A FLOYD

**HON. DALE E. KILDEE**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Mr. KILDEE. Mr. Speaker, I rise today to honor Bishop and Mrs. Odis A. Floyd as they celebrate their 37th Pastoral Anniversary. The congregation is planning several events to commemorate this anniversary throughout the month of November starting with a banquet on November 4 and ending with a day of celebration on November 26.

Bishop Floyd accepted his call to ministry in April 1964. Working with his grandfather, Reverend L.W. Owens, he helped organize the New Jerusalem Missionary Baptist Church and in November 1969 was unanimously elected as pastor. In 1991 he changed the church's name to New Jerusalem Full Gospel Baptist Church.

Over the years New Jerusalem Full Gospel Baptist Church has grown under Bishop Floyd's guidance. As a "Church on the Move for Christ" the congregation has answered the Bishop's call to expand the ministry beyond the sanctuary doors. The church operates several outreach programs including the New Jerusalem Intervention Ministry Team, Operation Blessing, Nurses and Health Team, Philadelphia Ministry, Youth Ministry, and Singles Ministry. Mrs. Floyd heads the United Women of New Jerusalem. Bishop Floyd's message of salvation is broadcast throughout the week through several media outlets. The New Jerusalem Tape Ministry makes available copies of church services, special programs and Bible Study. The Christian Education Department runs the vibrant Children's Church, Sunday School, Adult Bible Class and the Upward Bound program. As part of the foundation of church life, the Prayer Ministry is at the forefront of the Wednesday Night Intercessory Prayer services and the 24-hour prayer vigil, "The Jerusalem Watch." The church moved into the present worship complex in 1994.

Bishop Floyd is the 2nd Presiding Bishop of the Full Gospel Baptist Church Fellowship, a board member of Concerned Pastors for Social Action, the Visually Impaired Center, and Gospel Today Magazine. He is the Past President of the Baptist Assembly of Free Spirit Churches, the Past Youth Director of the Great Lakes District Congress of Christian Education, he has received the Good Scout Award, and he was a nominee for the Soul Train Award, the Gospel Music Workshop of America Excellence Award, and a Grammy nominee for Best Soul Gospel Male Performance. Music has played an important part in the church ministry and Bishop Floyd can be heard performing on several albums.

His participation in the Flint community goes beyond New Jerusalem Full Gospel Baptist Church. Bishop Floyd has served on the boards of several organizations and is involved in improving the quality of life in the Flint area including the Bishop International

Airport Authority Board and the Flint Urban Insurance List Steering Committee with the Governor's Office of Community and Faith-Based Initiatives. In addition to their service to Our Lord, Bishop Floyd and his wife Brenda are the devoted parents of Anthony and Nikki.

Mr. Speaker I ask the House of Representatives to join me in congratulating Bishop Odis and Brenda Floyd as they celebrate their 37th Pastoral Anniversary. May Our Lord bless them and bless New Jerusalem Full Gospel Baptist Church.

TRIBUTE TO ROBERT LATORRACA  
ON THE OCCASION OF HIS RETIREMENT

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Ms. DELAURO. Mr. Speaker, it is with great pleasure that I rise today to join the many family, friends, and colleagues who have gathered in extending my sincere congratulations to Robert LaTorraca as he celebrates his retirement after more than thirty years of dedicated service to American Medical Response.

In each of our communities, we have emergency response services which we depend on. However, ambulatory services, like those provided by American Medical Response, are often overlooked with police, fire, and other services at the forefront of discussion and debate. American Medical Response serves more communities and customers than any other private ambulance service provider in the nation. But more importantly, the organization's employees, those like Bob LaTorraca, serve their local communities on a personal basis, as part of the community where they live and work.

A graduate of Hamden High School and alumni of Quinnipiac College and Southern Connecticut State University, Bob has spent a lifetime in the community and his dedication to its protection and safety is unquestionable. Bob began his career as a field emergency medical technician with the New Haven Ambulance service and quickly earned his way to the position of Vice President of Operations. During the beginning of his career, Bob distinguished himself as an innovator by developing the first proprietary accounts receivable system in the state and establishing the first neonatal transport contract with Yale-New Haven Hospital. When, in the early nineties, New Haven Ambulance Service became one of the four founding companies of American Medical Response, Bob was named Chief Operating Officer for Connecticut and for the Northeast Operations just a few years later.

Leading a team of more than eight thousand employees in 23 states prior to his retirement, Bob achieved great professional success, however, his innumerable contributions to communities in need are what set him apart. Most recently, and perhaps most notably, were the actions he took following two of the most devastating events in our Nation's history. On September 11, 2001, he personally led a contingent of American Medical Response personnel from both Connecticut and New York to support of Fire Department of New York, and, just this past year, Bob has made a number of trips to assist in the on-

going relief efforts in Mississippi in the wake of Hurricane Katrina. Bob has also left an indelible mark on his own community with his outstanding efforts on behalf of a variety of local organizations and committees. The Hamden Fire Commission, the Shirley Frank Foundation, the Clelian Adult Daycare Center, and Mothers Against Drunk Driving are just a few of those who have benefited from Bob's support. The myriad of awards and citations that he has been honored with are testament to his enduring commitment to our community.

I have often said our communities would not be the same without the efforts of those who dedicate their time and energies to making a difference. Bob is a reflection of all that we want our community members to be. His compassion, generosity, and faithful service has touched countless lives. It is an honor for me to stand today to join his wife, Marby; his children, Maresa, Rob, and Jared; as well as the family, friends, and colleagues who have gathered today in extending my sincerest thanks and appreciation to Robert LaTorraca for all that he has given to our community. He is an inspiration to many and leaves a legacy that will continue to have a positive impact on the lives of others for generations to come. I wish he and Marby the very best as they enjoy his retirement and many more years of health and happiness.

PETE WHEELER, COMMISSIONER,  
GEORGIA DEPARTMENT OF VETERANS SERVICE

**HON. JACK KINGSTON**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Mr. KINGSTON. Mr. Speaker, I rise today to honor the life and contributions of Pete Wheeler, the Georgia Commissioner of Veterans Affairs, who is being honored this Veterans Day as Georgia's "Veteran of the Century." Pete Wheeler is an incredible person and a true friend to all those who have served in our country's armed forces.

Pete Wheeler's dedication to public service and our veterans is deep-rooted. He enlisted in the U.S. Army in 1942 and served in the Army Infantry. He retired as a Brigadier General in the National Guard in 1978. After graduating from the University of Georgia, he began his career with the Georgia Department of Veterans Service in 1949, and has worked personally with the 11 U.S. Presidents and 11 Georgia Governors since then. WELCOMING THE UNITED JEWISH  
COMMUNITIES GENERAL ASSEMBLY  
TO LOS ANGELES

**HON. HENRY A. WAXMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Mr. WAXMAN. Mr. Speaker, it is a pleasure to welcome the 2006 United Jewish Communities General Assembly to Los Angeles. It is an honor to host this national gathering and showcase our very own LA Jewish Federation, which has deep roots and a long and accomplished history of community service.

The UJC's tireless advocacy on behalf of seniors, children, and countless others in need is critically important and deeply valued. The reach of their care and concern extends across the United States, Israel and to Jewish communities around the world. I am particularly proud of the UJC's efforts to expand the Naturally Occurring Retirement Communities (NORC) program, which brings dignity and much-needed help to the elderly. I would also like to commend their immediate mobilization to rebuild neighborhoods and kibbutzim in Northern Israel recovering from Hezbollah rocket attacks.

Collectively, UJC shines as a beacon of the Jewish value of tzedakah. Individually, each one of the dedicated UJC staff, volunteers and contributors deserves recognition for making a real difference in people's lives, one person at a time. I look forward to working with UJC in the future to achieve the goals we share.

DAVIS

**HON. DALE E. KILDEE**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 9, 2006*

Mr. KILDEE. Mr. Speaker, I rise today to pay tribute to Darlene Hunter Davis, the illustrious Commandress of Oman Court Number

132, Daughters of Isis Auxiliary, to the Imperial Council Ancient Egyptian Arabic Order Nobles of the Mystic Shrine. Darlene was honored at the 46th Annual Commandress Ball on October 28th in my hometown of Flint, Michigan.

The Daughters of Isis Auxiliary was formed in 1910 as an auxiliary of the family members of the Prince Hall Shriners. The purpose was to unite the relatives of A.E.A.O.N.M.S. Inc. members together under one bond of friendship, charity, benevolence, honor and integrity

as symbolized in the legend of the Egyptian queen, the goddess Isis.

Darlene Hunter Davis embodies these qualities. After graduating from Flint Central High School she attended Detroit College of Business and started working for Hurley Medical Center. She went back to school after 20 years and obtained her Associate's Degree in Business Administration/General Management from Detroit College of Business.

She is active with Mount Pisgah Church, her family and friends and serves on various com-

mittees at Hurley Medical Center. Married to Emery Davis, she is the mother of Gaquilla H. Skinner, the grandmother of three and has several great-grandchildren. Darlene is a member of the Royal Star Chapter 27 O.E.S., P.H.A. Jurisdiction of Michigan.

Mr. Speaker, please join me in commending Darlene Hunter Davis on her service to the Oman Temple and the Flint community and I wish her the best in her future endeavors.
